Rt Hon Ann Taylor MP

The House of Commons

London SW1

Dear Ms Taylor

I enclose copies of my letter of resignation as a member of the Labour Party, which I have also copied to Tony Blair, together with a copy of my covering letter to him.

Does the Leadership really believe it can beat the Tories by becoming indistinguishable from them? For God's sake, can't you and some of your sensible colleagues try to put a stop to this lunacy?

Yours sincerely
